

Read *the* Bible *in a* Year

An illustration of four open books, each with the word 'Bible' written on its cover. The books are arranged in a row, slightly overlapping, and are rendered in a simple, stylized black and white line-art style.

*Your word is a lamp to my feet
and a light to my path.*

Psalm 119:105

BIBLE READING PLAN

1. The **Reading Plan** provides 4 daily chapters. The first reading alternates Old and New Testament books. The second includes wisdom literature and Isaiah.
To prevent falling behind and to provide reflection time, each month consists of 25 days of readings. The extra days allow time to meditate more deeply on something of significance, catch up on missed readings, or revisit favorite passages.

2. An optional **Journaling Process** has four steps, easily remembered by the acronym **PRAY**:

Passage – Read the passage of scripture. Choose a verse that speaks to you. Write it in your journal.

Reflection – Reflect on the context, what is happening in the scene, and what God is trying to communicate.

Application – How does the verse and lesson apply to your life?

YES! – Say Yes to God's Word for you. Write a prayer in response to God's message to you.

Community Sharing Options

1. Meet with a **Small Group** twice a month to share reflections on readings and encourage one another in the discipline.
2. Receive **occasional emails** from Pastor Lori regarding context and history.
Let Pastor Lori know if you are interested.
